THE EVALUATION PROCESS HOW IT WORKS

EMPLOYEE ORIENTATION TO EVALUATION PLAN

Annually, evaluators are to familiarize certified personnel whom they will be evaluating with the district's evaluation system within one month of reporting for employment. This includes providing a copy of the handbook to all employees in the fall of 2007. Thereafter, the annual review will include providing a copy of the handbook to all new employees and to any returning employee who requests one. **Questions concerning the contents of the evaluation plan handbook must be raised by the employee prior to the first observation.** The contents of the evaluation plan handbook must be reviewed with each employee prior to any observation/evaluation. All certified personnel must have immediate notice of any changes made to the evaluation process. Mid year hires will be evaluated on the same evaluation plan and be given a copy of the evaluation plan handbook within one month of their hire date.

Each building principal may annually develop and explain to building personnel the Indicators (or "Look-Fors") for Performance Criteria that are building –specific, based on the school's comprehensive plan goals, professional development training the staff has taken, or other factors. The building principal is responsible for providing, upon employee request, a copy of any additional job description which is not included in the Appendix of the Evaluation Plan Handbook.

EVALUATION STANDARDS AND PERFORMANCE CRITERIA

The list of Evaluation Standards and Performance Criteria for Teachers/Administrators shall be considered the standard the evaluatee is expected to meet. It is important that these criteria (and other performance expectations covered by the criteria, such as descriptions, applicable local Board policies, and the Kentucky School Personnel Code of Ethics) be understood as applicable by all parties.

INDIVIDUAL PROFESSIONAL GROWTH PLAN

The Professional Growth Plan is an individualized plan that includes goals for enrichment and development that are established by the person being evaluated with the assistance of the evaluator. It includes action plans to achieve the goals/objectives and a method of evaluating success.

An employee's Individual Professional Growth Plan (IPGP) must be aligned with the specific goals, objectives, and action plans of the School's Comprehensive Improvement Plan (CSIP), Professional Development Plan, and the Evaluation Standards and Performance Criteria of the district evaluation system.

The Professional Growth Plan can be built as early as May 1 of the current year for continuing employees. The advantage of including the IPGP in the spring for the next school year is that professional development activities tied to growth objectives may be available for the certified employee during the summer before the next school year. The IPGP must be completed with employees new to a building (newly hired or transferred employees) no later than October 1 of the new school year. The PGP must be created within one month of the hire date.

Implementation of the Professional Growth Plan is to begin as soon as the plan is completed and signed by both the evaluator and evaluatee. Signatures indicate knowledge of expectations.

The IPGP must be reviewed annually by the evaluator and evaluatee. This should occur no later than June 30 for teachers and non-teaching certified school personnel. Some Growth Objectives may be long-range or ongoing and may be continued with little or no revision during the evaluation cycle (tenured teachers) or during the period of a multi-year CSIP. When new growth objectives for an IPGP are appropriate, they may be developed during the end-of-year conference for the succeeding school year.

FORMATIVE EVALUATION

Formative evaluation, by definition in 704 KAR 3:345, is a continuous cycle of collecting evaluation information and interacting and providing feedback with suggestions regarding the certified employee's professional growth and performance. All monitoring and formal observations will be with the full knowledge of the teacher/administrator and will include both formative and summative procedures.

For tenured teachers in the formative evaluation cycle, observations/conferences will be at least once each year. Conferences are to follow classroom observations by no more than five (5) work days. If an area of concern is found, the teacher may be placed in the summative evaluation process, and shall receive written notification.

Tenured teachers are in summative evaluation every three (3) years. During the third year of the evaluation cycle, the formal observation and conference will take place. By May 30 of the summative year, a summative conference must be held (see below - Summative Evaluation).

For non-tenured teachers in the formative phase of the annual evaluation cycle, formative observations/conferences will be done twice a year (three times for teacher interns following KTIP requirements). KTIP requirements include the first observation to be completed by November 15, the second completed by February 15 and the third completed by April 10. Anderson County requires the third KTIP observation to be completed by April 1. Non-tenured teachers must be observed no later than December 20 in the fall semester and no later than February 15 in the spring semester. For all employees, tenured and non-tenured, the formal observation will be scheduled. Other observations may be unscheduled. A feedback conference should follow a formal observation by no more than five (5) work days.

Informal observations (drop-in visits of less than a full observation) may be made at any time by the evaluator. An employee who is experiencing problems in any area of expectation may have as many observations, conferences, and/or corrective action plans or memos as are necessary to document the situation – including assistance offered (see below). These observations do not require prior notice.

During the formative evaluation cycle, data is collected to the ten (10) Teacher Standards and six (6) Administrative Standards. After a classroom observation is made, the observer will analyze data taken during the observation, using the Teacher Standards & Performance Criteria as a frame of reference.

In identifying areas (meets or growth needed) to be recognized on the Post-Observation Conference Formative Report Form there is no set number. Sometimes more areas will be identified than actually will be targeted. The evaluator will decide the most important priorities and key the emphasis upon them. The priorities could be in the areas of met or growth needed.

If an area of improvement (growth needed) from the classroom observation is noted on the Formative Report Form, the item must have a corresponding prescription, or action plan, to remediate or assist. This may be specifically noted and written on the Formative Report Form in the Data Collection space, or an Individual Corrective Action Plan (**ICAP**) may be established.

The ICAP may be written to any of the Teacher Standards or six Administrator Standards needing correction/attention. For areas needing improvement in Teacher Standards 1-10 either the Formative Report Form or ICAP is used.

During the conference, once an area of improvement, with corresponding procedures, has been noted on either a Formative Report Form or an ICAP, its implementation should begin immediately. The primary responsibility for initiating activities and procedures in either an ICAP or Formative Report Form, is with the evaluatee, except as written otherwise and agreed upon during conferencing.

To make the evaluation process successful, a high level of commitment is needed by both the evaluatee and evaluator. The evaluatee is expected to proceed with the action plan in a self-directed way, and the evaluator is expected to proceed with the action plan in a self-directed way. The evaluator is expected to provide assistance and regularly monitor progress. If satisfactory progress is being achieved, few modifications, if any, will be called for. In this case, continue with the implementation process. For those evaluatees experiencing problems, it is important for additional time and support to be given by both evaluatee and evaluator to intensify efforts toward attainment of objectives/goals. Contacts other than the first and subsequent formative observation/conferences shall be documented by the evaluator and a copy given to the evaluatee. It is recommended that short, information conferences are held following these contacts. Lines of communication between evaluator(s) and evaluatee must be kept open in all phases of the evaluation process. To this end, each certified person new to the district may receive training in the use of effective teaching strategies and a common terminology for teaching behaviors, using a variety of research-based models.

The evaluators will be expected to make formal/informal observations, as appropriate, so that meaningful feedback can be given in a clinical way – emphasizing objectivity in data collection and collaboration in its interpretations. Administrators in Anderson County, who will be primary evaluators, have been and are trained in the concepts and skills of clinical supervision and in a variety of observational processes. In addition, certified employees designated as evaluators complete training which allows their compliance with 704 KAR 3:345 (revised 2/7/97). Documentation of twelve (12) hours biannual evaluation training will be kept in the appropriate database at the Central Office.

SUMMATIVE EVALUATION

According to KRS 156.557 Summative Evaluation means the summary of, and conclusions from, all evaluation data, including formative evaluation data. Summative evaluation occurs at the end of an evaluation cycle; annually for non-tenured certified teachers, annually for administrators, and at least every third year for tenured certified personnel. The summative evaluation process includes a conference between the evaluator and the evaluated certified employee and a written evaluation report.

The evaluator will assess results, reviewing all data collected during the evaluation cycle under which the evaluatee falls. This is done so the evaluator can make a determination as to whether or not an evaluatee's work is satisfactory, and, if necessary, can be done at any time during the cycle, so long as previous steps in the cycle have been completed and documented.

In deciding whether or not an evaluatee's work is satisfactory, the evaluator shall identify the standards which are being met as determined by the Performance Criteria, and, where they are not being met, whether movement toward attainment is indicated by reviewing data from formative evaluation (i.e., evaluatee's progress, or lack of, toward accomplishment of improvement objectives established for the employee). In all cases where data support the evaluatee's accomplishments of that which was prescribed – even when accomplishment does not result in full attainment of Standard – performance is to be termed satisfactory.

Non-attainment of a Standard does not necessarily indicate overall unsatisfactory performance. Failure – either through unwillingness or inability – to make satisfactory progress as previously documented by the evaluator on Formative Report Forms, Individual Corrective Action Plan, memos, or other forms of documentation, does indicate overall unsatisfactory performance. When this is the case, the evaluator must so indicate in the appropriate place on the Summative Conference Form and the Summative Evaluation Form. When a “Does Not Recommend for Re-employment” is made, this must be communicated to the evaluatee during a conference. The Superintendent will notify the non-tenured, certified staff member in writing if the contract will be non-renewed.

For those non-tenured employees whose Summative evaluation will result in non-renewal of a contract, the written recommendation for non-renewal of contract accompanied by supporting documentation must be given to the Superintendent no later than April 1.

The evaluator will choose form 1 or form 2 to evaluate the evaluatee.

ADMINISTRATORS WHO RECEIVE ANNUAL EVALUATIONS

Administrators who receive annual Summative evaluations according to 704 KAR 3:345 are Central Office certified staff, principals, assistant principals, and guidance counselors. These administrators must have an individual Professional Growth Plan and a Summative Evaluation each year, whether they are tenured or non-tenured.

The evaluation of assistant principals is conducted by the principal. Principal evaluations are conducted by the Superintendent or designee. Counselors, Media Specialists and School Psychologist may be evaluated by assistant principals or designees.

The Superintendent is evaluated by the Board of Education. Other central office staff evaluations are conducted by the immediate supervisors as indicated by the organizational chart. The Superintendent will have a professional growth plan in compliance with KRS 156.111.

OPPORTUNITY FOR RESPONSE

Both parties in the Anderson County evaluation system have the opportunity to make written comments in the spaces provided in the Individual Corrective Action Plan and the Summative Evaluation form. Additional written responses may also be made and attached. Any written response from the evaluatee will become part of the official file. Signatures on evaluation forms merely indicate that the evaluation process has been executed. The evaluatee needs to sign and indicate that they agree or disagree with the evaluation.

A copy of the evaluation shall be provided to the evaluatee. 704 KAR 3:345, Section 4 (2) (e).

OFFICIAL FORMS

All evaluations of certified staff in the Anderson County Schools will be recorded on official forms provided in this plan, and all summative evaluation forms (except the Superintendent) will be filed in the employee's personnel file at the Board Office.

APPEALS PROCESS

For appeals to the local evaluation appeals panel, certified personnel shall have the:

- 1. Right to a hearing as to every appeal; and**
- 2. Opportunity reasonably in advance of the hearing for the evaluator and evaluatee to adequately review all documents that are to be presented to the evaluation appeals panel; and**
- 3. Right to presence of evaluatee's chosen representative.**

Purpose: An Appeals Panel shall be established in accordance with KRS Chapter 156 and 704 KAR 3.345. Based on issues identified in an employee's appeal documentation, the Panel shall determine whether the employee has demonstrated that a procedural violation has occurred under the District's evaluation plan and whether the summative evaluation is supported by the evidence.

The burden of proof that an employee was not fairly and/or correctly evaluated on the summative evaluation rests with the employee who appeals to the Panel.

Appeals: Pursuant to Board Policy 03.18, any certified employee who believes that he or she was not fairly evaluated on the summative evaluation may appeal to the Evaluation Appeals Panel in accordance with the following procedures.

I. PROCEDURE FOR CERTIFIED PERSONNEL WISHING TO APPEAL AN EVALUATION

A. Summative

- 1. No more than five (5) work days after the final evaluation the certified employee must present a request, on the appropriate form (Form E), for a review of the evaluation to the Appeals Panel chair and give a copy to the Superintendent. The request must:**
 - a. Be attached to a copy of the final evaluation form (Form E).**
 - b. Include a written statement which details both the disagreement and the reason(s) for his/her disagreement (procedural and/or substantive).**
- 2. Both the evaluatee and evaluator shall submit three (3) copies of any appropriate documentation to be reviewed by members of the Appeals Panel in the presence of all three (3) members. The parties will exchange copies of documentation by or before the day it is submitted to the Panel. The members of the Appeals Panel will be the only persons to review the documentation. All documentation will be located in a secure place in the Central Office except during Appeals Panel meetings. Confidentiality will be maintained. Copies of the documentation as submitted to the Panel shall not be carried away from the established meeting by either parties involved or the Panel members.**
- 3. The Panel will meet, review all documents, discuss and prepare questions to be asked of each party by the Chairperson. Additional questions may be posed by panel members during the hearing.**

4. The Panel will set a time and place for the hearing and the Chairperson will provide written notification to the appealing employee and his/her evaluator of the date, time and place to appear before the panel to answer questions.
5. The Chair will convene the Appeals Panel and it will complete its review of the evaluation data no more than five (5) work days after the date the evaluatee gives the appeal to the Chairperson of the Appeal's Committee unless more time is needed for good cause shown in writing or agreed upon by both parties.
 - a. All documentation obtained to this point is made available to both the evaluator and evaluatee, and both parties are notified of the hearing date by the Chair of the Appeals Panel.
 - b. This hearing is to take place no more than five (5) work days to the date the chair of the panel meets with the appeals panel to review documentation.
 - c. Both the evaluatee and the evaluator are notified of the right to be accompanied by a chosen representative, legal counsel.
 - d. Only Panel members, the evaluatee and the evaluator, legal counsel, witnesses and the employee's chosen representative will be present at the hearing.
 - e. Witnesses may be present, but will be called one at a time and will not be allowed to observe the proceedings.
 - f. The hearing will be audiotaped and a copy provided to both parties if requested in writing. The original will be maintained by the District.
 - g. After reviewing all documents and interviewing both evaluator and evaluatee, the local appeals panel will reach its decision by majority.
 - h. The panel shall issue its written opinion to the Superintendent, within three (3) work days following the conclusion of the hearing. A copy of the hearing decision shall be placed in the evaluatee's official file, attached to the Summative evaluation in question.
 - i. The entire process, from the time the appeal is filed until the panel issues its recommendation to the Superintendent, must be completed within fifteen (15) work days. This Appeals Panel has no authority to make a recommendation constituting personnel action which remains at the discretion of the Superintendent.
6. The superintendent must respond to the evaluatee no more than fourteen (14) calendar days, after receiving the statement from the Appeals Panel's Chair. In cases involving dismissal, the Superintendent's decision, under law, is final for non-tenured evaluatees.
7. (For tenured evaluatees only.) Under the law, tenured employees facing adverse personnel action may appeal a Superintendent's decision to a tribunal created for this purpose. Note that tribunal members are not employed by the district which employs the evaluatee.

Hearing Procedures

The following procedures will be implemented during the hearings:

1. The Chairperson of the Appeals Panel will convene the hearing, review procedures, and clarify the Panel's responsibilities.
2. Each party will be allowed to make a statement of respective position regarding the evaluation. The evaluatee will begin.
3. The evaluatee may present relevant evidence in support of the appeal.
4. The evaluator may present evidence in support of the summative evaluation.

7. Each party (evaluator and evaluatee) will be asked to make closing remarks.
8. The chairperson of the Panel will make concluding remarks.
9. The decision of the Panel, after sufficiently reviewing all evidence, may include, but not be limited to, the following:

12. The Superintendent shall may take appropriate action consistent with the Panel's decision.
13. The Panel's decision, the Panel's, and the original summative evaluation form shall be placed in the employee's evaluation file. In the case of a new evaluation, both evaluations shall be included in the employee's personnel file.
14. The Panel's decision may be appealed to the Kentucky Board of Education based on grounds and procedures contained in statute and regulation within the time allowed for such an appeal.

II. THE SELECTION PROCEDURE FOR ELECTED MEMBERS OF THE LOCAL CERTIFIED EVALUATION APPEALS PANEL.

- A. By September 1, yearly, all certified employees shall be given an application to serve as a member of the Certified Employee Appeal Panels, if elected.

All terms of panel members and alternates shall be for one (1) year and run from July 1st to June 30th. Members may be reappointed or reelected.

Conflicts of Interest: See board policy: Personnel 03.18

THIRD PARTY OBSERVERS PROCESS

(This process is followed if the certified school employee requests an additional evaluation following their primary evaluation)

The immediate supervisor of the certified school employee shall be designated the primary evaluator. Additional trained administrative personnel may be used to observe and provide information to the primary evaluator. If requested by the teacher, observations by another teacher trained in the teacher's content area or by curriculum content specialists shall be provided. The selection of the third party observer shall, if possible, be determined through mutual agreement by evaluator and evaluatee. A teacher who exercises this option shall do so, in writing to the evaluator, by no later than February 15 of the academic year in which the summative evaluation occurs. If the evaluator and evaluatee have not agreed upon the selection of the third party observer within five working days of the teacher's written request, the evaluator shall select the third party observer.

EVALUATION FOLDER

The evaluatee and evaluator shall each set up a school evaluation folder which will hold the following:

- Professional Growth Plan(s) (As described in 704 KAR 3:345, Section 1)
